For Immediate Release

Lauderdale Lakes, Florida (Press Release) July 9, 2008. Eleanor Fullwood is pleased to announce her new work at home internet business that is revolutionizing the internet to another level. The new work at home internet business is called Passport To Wealth. Created by Darren Gaudry and launched February 2007.

Passport To Wealth is a digital product and compensation program that is taking the web by storm. With a combined value of well over \$75,000. The Passport To Wealth product portfolio is one of the best offer on the internet today with plenty to chose from.

The Passport To Wealth business is an Online Marketing System that™s structure to find people for you that is interested in joining an online business opportunity. The key point to the Passport to Wealth Marketing System is that you can join it, set it and let it do the work for you.

The Online Marketing System comprises of what is called a 2-up compensation plan. The 2-up plan means the first two sales a new member makes are passed up to the person who introduced them to the business. After that, 100% of each sale is no longer passed up but goes directly to the newly qualified member which is you.

You receive 100% commissions of \$997 for each Passport To wealth sale that is made for you. This \$997 gets deposit directly into your bank account at sign up. There is no delays or middle man. The system works 24x7 and can be operated from anywhere in the world.

Our product portfolio includes many top named software products all developed by the internets most esteemed and successful entrepreneurs. The best part about the product portfolio is that they come with resale rights, meaning you can sell these high demand digital products and keep 100% of the profits.

The beauty of my online business is Passport To Wealth meets 3 basic components of an online business: 1. It™s a cruise control marketing system. 2. The highly demand products is easily available. 3. This is a simply yet very lucrative compensation program.

One of the brilliant features about Passport To Wealth is each associate is given a website. The only job for Passport To Wealth associates is to advertise their website and get people to visit. The 14 minute movie presentation will do the telling and selling for you.

Passport to wealth is already becoming one of the most profitable business opportunities to hit the internet in a long time. Associates are reporting income well over \$30,000 their first month, with many associate making \$1000.00 per day.

The company have a very detailed marketing guide that is provided to each team member that signs up with my Passport To Wealth business. This marketing guide will explain in detail to each member the how, when, where of advertising your Passport To Wealth Business. In order to get this information, you must sign up for Passport To Wealth at: <http://wealth4millionaires.com>

Passport To Wealth has many great teams and leaders. This one great team that I am proud to be a part of is called The Blessings Unlimited Team. The leaders are very dedicated to the team 5 days a week, helping everyone to success in their business.

The special thing with Passport to Wealth is you learn before you join via telephone group informational calls and get all of your questions answered. Once you sign up there are people in place to help you get started in every area of business. This On Marketing System is one of the most innovative websites to hit the internet.
